

The University of Manchester

SCIENCE SPECTACULAR

Saturday 31 October 2015 | Whitworth Hall & Manchester Museum
11am - 4pm | Free Entry | Drop in any time

Be a Manchester
Science Star!

Interactive science
fun for all the family

Join our scientists at The University of Manchester for a fun filled day of science challenges, live experiments, and interactive demonstrations. We've got activities for all ages - robots, bugs and drugs, moon rocks, secret codes, and more! And help find our secret science buskers on Oxford Rd as they amaze you with science tricks.
